Presenting
Live at KEXP
Volume Three

KEXP
90.3 FM
SEATTLE
KEXP.ORG

KEXP (90.3 FM Seattle and KEXP.ORG) is proud to announce *Live at KEXP Volume Three*, the third compilation CD featuring KEXP's exclusive, live in-studio recordings and recordings from live remote broadcasts across the country. KEXP has a commitment not only to putting great music on the radio, but also to use the airwaves to connect musicians with the listeners. Live in-studio performances are an integral part of KEXP's programming and the Live at KEXP CD series has become a highly anticipated release among listeners and an important source of operating revenue for KEXP.

KEXP hosted over 400 in-studio performances last year alone. (Check out the huge archive of performances available at KEXP.ORG.) These performances ranged from local bands just starting out to more established, big-name musicians.

The tracks on this compilation bring a different interpretation to each song, each artist and each genre of music. It is a reflection of the sound that KEXP brings to listeners' ears every day. KEXP would like to thank all the artists who donated their time and performances to this one-of-a-kind compilation CD. All proceeds go to benefit KEXP programming.

Live at KEXP Volume Three is available right now, exclusively to new and current KEXP members who pledge online at KEXP.ORG. The CD will be available for public purchase in August 2007.

About KEXP Public Radio

KEXP is an influential, non-commercial radio station based in Seattle and supported through financial contributions from listeners worldwide. Over the past three decades, KEXP has built a reputation as a purveyor of new and emerging artists and musical forms. Today, KEXP programs a rare mix of music spanning multiple genres and brings listeners more than 400 live, in-studio performances each year.

KEXP has a mission to enrich people's lives by providing a wide array of music and by exploring, developing and applying relevant technology to deepen and extend musical experiences. Listeners enjoy KEXP at 90.3 FM in Seattle and around the world at KEXP.ORG.

Contact: Courtney Miller • comiller@kexp.org • (206) 520-5813
113 Dexter Ave North Seattle, WA 98109 • More information available at KEXP.ORG

The station is governed by Friends of KEXP, a non-profit organization operating the station on behalf of the University of Washington, which holds the FCC license. A partnership with EMP provides facility support and programming collaboration. The University of Washington's information technology group provides KEXP with the development and application of streaming services, technical expertise, development of streaming applications and other relevant technology to extend the music experience.
